Dear Mr. Hetu:

I am delighted to learn from your very kind letter of December 12th that Admiral and Mrs. Turner will be with us at our March meeting in Boca Raton.

The present plan is that Admiral Turner's part of the program will be preceded by a short invocation and by a ceremony in which our past president, Mr. Justice Powell, will present honorary fellowships in the College to Mr. Justice Blackmun and to Mr. Justice Rehnquist. Currently Admiral Turner has been allotted 45 minutes with a Canadian professor to follow him with the same amount of time. Our morning sessions begin at 9:30 a.m. and usually conclude at approximately 12:30 p.m.

As soon as you are able to do so, please let me know whether Admiral Turner will be arriving on March 10th in time for dinner.

In the meantime our Executive Director, Richard W. Pruter, will be contacting you with regard to hotel reservations. Who's Who in America furnishes to me the basic facts for the purpose of introduction, but I would be pleased to have any other information which you would deem appropriate.

Please express to Admiral Turner our thanks for his being willing to be with us.

Sincerely,

Marcus Mattson
